METAL  EXTERIORS

— SIGNATURE SERIES —

PARALLEL RIB
ROOF & WALL SYSTEM

DECADES OF ENDURANCE

PARALLEL RIB ROOF / WALL SYSTEM

Introducing Metal Exteriors' Parallel Rib exposed fastener panel - the perfect blend of affordability and performance! This traditional ag panel, crafted from high-quality 29 & 26 gauge steel, is cut to your desired length for a seamless fit. Personalize your project by choosing from a palette of 38 color options. Experience the optimal balance of style, strength, and cost-effectiveness with Metal Exteriors' Parallel Rib exposed fastener panel - your go-to solution for all applications.

MAXIMIZE YOUR VALUE

A CLASSIC WITH STAYING POWER

A great number of buildings continue to be built with the agricultural style panel of Parallel Rib. And with warranties on both the panel and screws that fasten them down, many of the fears of yesteryear have been put to rest. It'll reduce repairs, take strenuous weather and still look good for a long time. This durable panel will reliably clad your building from foundation to rooftop for decades to come with best in class value.
